

STAIR NOSINGS

SlipNOT® stair nosings provide safety to the edge of steps that become worn easily due to heavy foot traffic. Stair nosings or angles easily retrofit over existing treads or can be built into new stairways.

PRODUCT INFORMATION

Thicknesses: 1/8", 3/16", 1/4", or thicker

Widths: 1-1/4" minimum

Nosing depth: 1-1/4" minimum

Nosing lengths: up to 10' (6' or less recommended)

Custom sizes can be fabricated to meet job specifications
