

FOOT HOLD

by SLIPNOT®

Cleaner & Degreaser

NEW

ALL PURPOSE. ALL SURFACE. NO SLIPS.

10X
more
concentrated
than other
cleaners

Does **not** contain any of the typical, harsh ingredients such as butyl, phosphates, solvents or caustic sodas.

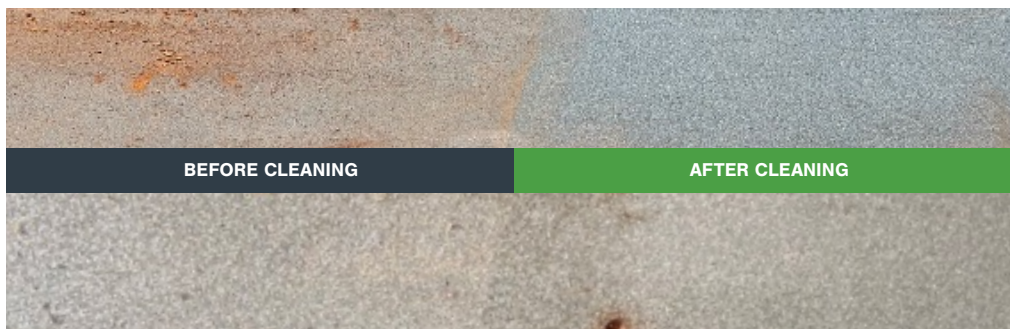

Foothold by SLIPNOT is a powerful water-based cleaner and degreaser formulated for use with SLIPNOT products and in all areas of your facility where you have slip and fall hazards. Using this cleaner as directed gives you back your foothold, safely and environmentally responsibly cleaning your surface and ensuring a confident work environment.

Benefits of Colloidal Suspension Formula

- ✔ **Non-filming-no residuals** results in:
 - Greater slip-resistance
 - Less biological loading/maximum sanitation levels
 - Greater surface integrity
 - No delamination
- ✔ **Safe chemistry** maximizes:
 - Employee safety
 - Cleaning surface safety
 - Cleaning equipment safety
 - Environmental safety

Rubberized Coating

SLIPNOT Stainless GR3 Stair Tread Cover

Foothold has been demonstrated to increase the coefficient of friction (COF) up to 15% on SLIPNOT products and 34% on non-SLIPNOT flooring such as a rubberized coating.
